SPORTS MANAGEMENT

Unite. Celebrate. Compete.

The Brahman Cricket League (BCL) is back with Season 3, bringing together 100+ Brahman professionals and entrepreneurs in a celebration of sport, unity, and pride. This tournament isn't just about cricket—it's about building lifelong connections and honoring talent within our vibrant community.

About AGA Management

We are passionate about bringing people together through the spirit of cricket. Noticing the lack of platforms for corporate employees and business professionals to shine in sport, we launched AGA Management to organize high-energy tournaments that create opportunities to compete, connect, and celebrate.
